

March 18, 1975

PRESIDENT: The rules are suspended.

CLERK: Now, Mr. President, notice of committee hearing. Appropriations Committee gives notice that LB 507, previously set for Friday, March 21, 1975, has been cancelled. The hearing has been set again for Monday, March 24th, 1975. Signed, Senator Marvel.

Mr. President, Senator Moylan asked unanimous consent to print amendments in the Journal to LB 258.

PRESIDENT: Are there objections to the request for unanimous consent by Senator Moylan? Seeing none, it is so ordered.

CLERK: Mr. President, I ask for unanimous consent to take up a motion to reconsider our action on LB 202. Signed, Senator Kelly.

PRESIDENT: There's a request for unanimous consent to entertain a motion to reconsider 202. Is there an objection? There is.

SENATOR KELLY: Mr. President, I'd move that we take up LB 202 reconsideration at this time on the basis that I'm aware that Senator Barnett is not going to take up 126 today. We're a little bit slack. I've checked with Chairman of the Executive Board, Senator Mahoney. This has his blessing. The Speaker is out of town, so I cannot get his. I'm now asking for yours.

PRESIDENT: We'll be at ease. We want to make sure that our record is right on the day it was killed and the day the motion was made, Senator.

AT EASE

PRESIDENT: Senator Kelly, the Chair rules that you're within time. The question before us is not actually the motion to reconsider. Senator Kelly is moving that the matter be considered at this time. Your vote on this is not on the substance of it, but whether or not the body shall consider that at this time, or tomorrow . . . isn't that correct Senator Kelly?

SENATOR KELLY: Yes. Mr. President, we have this scheduled on the agenda for tomorrow. As today is a rather slack day we thought it would work in here very well.

PRESIDENT: Senator Mills do you wish to be heard?

SENATOR MILLS: Mr. President, may I ask, do we debate the motion that Senator Kelly has offered?

PRESIDENT: I would think not, Senator. The only thing before us is whether we consider the matter today, not the substance of it. Then if this passes, then it will be debatable.

SENATOR MILLS: In other words, we may not discuss the merits of his move to reconsider?
